

Complaints, warranty and dispute resolution guide

We try to provide the highest level of service to our customers, but sometimes things go wrong. If you need to complain, or lodge a warranty claim, we have a free complaints and dispute resolution process that you can use.

What is a complaint?

A complaint is an expression of dissatisfaction made to us, related to our products or services, or the complaints-handling process itself, where you expect a response or to have the problem fixed.

How the procedure works

Step 1 How to make a complaint

You should first let us know what the issue is, and we will try to fix it immediately. You can call us or email us or visit us in person to make a complaint. You can contact our complaints officer as follows:

Name:	Compliance Officer
Address:	Suite 901, L9, 153 Walker St, North Sydney
Phone:	1300 090 187
Email:	customerservice@energius.com

If the person who takes the call cannot resolve the issue, they will escalate it to management. At this stage, in most cases your complaint will be dealt with promptly and to your satisfaction and we can close the complaint.

Step 2 Recording your complaint

All complaints and disputes will be recorded in our Complaints Register. Where a complaint cannot be resolved to your satisfaction immediately, you might have to answer some questions so that our management can properly investigate the complaint. When receiving a verbal complaint, the customer service staff will complete the details of the complaint in the register on your behalf. The staff customer will then read the entry in the register to you and ask you to verify it.

Step 3 Notification

Where we cannot immediately settle the complaint we will acknowledge receipt of it to you in writing within 2 working days. We will also advise you in writing of the procedures for investigating and handling your complaint.

Step 4 Investigation

Your dispute will then be fully investigated by our complaints officer and a decision made on the matter.

Step 5 How you will be informed of the outcome

In most cases we will tell you the outcome in writing within 7 working days. Should there be exceptional circumstances causing a delay we will advise you. But, even in the most complex matters, the dispute should be resolved in a maximum of 30 working days.

Step 6 External dispute resolution

For Finance Complaints: if you are still not satisfied, you can go to our free external dispute resolution scheme. We are a member of the Credit and Investments Ombudsman Limited (**CIO**) scheme. CIO is an external dispute resolution scheme approved by ASIC.

Step 7 After we respond

Our Complaints Register will be updated showing the result. Wherever appropriate, our policies, systems and procedures will be adjusted and staff counselled or provided with additional training.

Things you should know

If your complaint involves privacy issues, the procedures may vary if the complaint is not immediately resolved. This is because more specific legislation or codes of practice may apply.

You don't have to pursue a dispute with us using our internal complaints and dispute resolution procedure. If you use the procedure, you may commence legal proceedings before, after or at the same time.

Our participation in the procedure is not a waiver of any rights we may have under the law, or under any contract between you and us, and this guide is not a contract between you and us.

Charge

There is no charge for using our internal or external complaints and dispute resolution procedure.

However, our standard fees and charges may apply for making copies of documents or for retrieval of documents from archives, where requested by you.
